

Dear Pastor:

Our Mission at the Oregon Ministry Network is to *Develop Effective Leaders and Build Healthy Churches and Ministries*. I am excited to announce a new effort to help you and I accomplish that.

In 2010 the Network will, in cooperation with your regional leadership, will be conducting the T.E.A.M. Tour Training.

I want to encourage every local church leader and volunteer to join the Network Team for the **Together Everyone Achieves More Tour**. The team sessions and huddles are outlined in this registration packet. This is a great opportunity to receive 5 hours of practical training, plus a lunch. It will be inspirational, informative and instructional.

Whether you are a pastor, deacon, Sunday school teacher or volunteer in ministry, the 2010 T.E.A.M. Tour Training is for you.

Simply select the site that best works for you and register today.

Blessings,
