### **MINISTRY SKILLS**

Teaching experience in biblical studies focused on Christian development and action-based discipleship. Developed structures that created atmospheres of inclusivity. Grew social media and off-site ministry presence. Created quality lectures on diverse biblical subjects.

### **LEADERSHIP SKILLS**

Recognize and evaluate in-place systems and adjust as needed. Respect established culture while moving forward in health. Established interview procedures for volunteers and interns. Developed students to assume leadership roles within student ministry. Trained up multiple coworkers across years.

### **ADMINISTRATIVE SKILLS**

Worked with my team and customers to resolve issues. Orchestrated multiple local missions trips. Taught and developed youth worship team. Oversaw disbursement of ministry funds. Effective communication in oral and written English.

### **ADDITIONAL SKILLS**

Inventory control, services development, staff training, data collection, maintenance and entry, data processing, sorting and organization of materials, in-depth biblical knowledge, typing, Class B CDL with Passenger and School Bus endorsements

### **EDUCATION**

Northwest University  
Bachelor of Arts Pastoral Ministry 2016
